

It is often said that a referral is the very best compliment that you can give any professional. Like you, we are always seeking new opportunities to expand our business. We are hoping you can help us do this by sharing with us the names of people you know who are currently in need of commercial real estate services or may be in the future.

More specifically, who do you know who...

- Owns and invests in commercial real estate
- Is a business owner who owns or leases their place of business
- Is a professional that provides services to owners of commercial real estate, such as attorneys, accountants, financial planners, etc.

In the spaces below, please write down the names and phone numbers of any friends, relatives or business associates who we may contact to discuss their present or future needs in Commercial Real Estate. Please return a copy of this form to us. We will then promptly contact the individuals that you have listed.

Thank you for giving us the compliment of your confidence and continued support.
